Jade Vase Aged Pewter Cast Aluminum

A fan favorite with scallops ready to show off. Jade turns a classic shape into a statement piece. Cast in aged pewter aluminum, its scalloped fan silhouette and Deco-inspired channeling create an eye-catching play of light and shadow. The elongated opening suits bold arrangements or holds its own just fine.

Sculptural, elegant, and unapologetically ornamental, it's a vase with presence and just a little sparkle.

- Aged Pewter Cast Aluminum: Crafted from cast aluminum, this piece features a rich, vintage-inspired patina that adds depth and character to its sleek, geometric form. Channel details evoke a sense of bygone luxury.
- Graceful Curves: The bowl's graceful curvilinear handles add a touch of ornamentation to its artisanal character, enhancing its visual interest and functionality.
- Watertight vase in fluted fan shape
- No assembly required
