NEW HAVEN LEG TABLE

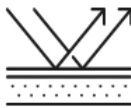

A hallmark of classic French-Louis Philippe style, the New Haven rectangular leg table gives a new look to a traditional piece with its gorgeous Cottage White finish. Soft, curved lines make the style very live-able and relaxed and offer flexibility to the overall decor. The New Haven dining table comfortably seats six without leaves and can be extended to seat as many as 10 with the two included leaves inserted. It also features the family friendly KinGuard finish which helps to prevent damage to the finish and buy some time to clean up in the likely event of minor food and beverage spills.
