

Café™ 30" Free-Standing Gas Convection Range

CGB500P2MS1

FEATURES & BENEFITS

Expansive edge-to-edge cooktop helps you entertain with ease - Cook five-course meals in a snap with an edge-to-edge cooktop that can accommodate cookware of all sizes

Let the power of steam do your dirty work - Keep your oven looking spotless with a high heat steam clean option for small spills and a self-clean cycle for larger messes

Versatile cooktop complements every cooking style - Get the power and performance you need to pull off any meal with an 18K burner that boils water quickly and a center oval burner that provides even heat coverage for large cookware like griddles

Extra-large griddle sets the stage for your culinary skills - Impress guests with perfectly grilled arepas and crab cakes on the extra large integrated reversible cast-iron griddle/grill that gives you enough room for the perfect flip

Precise control delivers consistently delicious results - Achieve perfectly even desserts with accurate heat circulation thanks to True European Convection with Precise Air

Create a look that matches your personal style - Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste

Allow your appliances to interact with one another - Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights and vent when a range burner is in use, and even your microwave and range clocks

WIFI-ENABLED FEATURES

Built-In WiFi, Powered by SmartHQ App - Manage all aspects of your kitchen with the help of the SmartHQ™ App or your voice assistant

Personalized Features + Upgrades - Usher in the latest features by downloading cooking upgrades right to your oven, putting Air Fry and more in your repertoire

No-Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray
