

# 3000 SLIM LINE SERIES RANGE HOOD

*Enhance ventilation and capture the ultimate chef's experience with our latest design, the 3000 series range hood.*

*Experience...*

## EASY CLEANING

- Dishwasher safe commercial baffle filters
- Functional design is easy to clean. Eliminates grease traps
- No unsightly screws to clean around

## QUIET OPERATION

- Rubber-mounted motor & large, squirrel-cage blower reduce sound and vibration
- 3-speed motor control reduces blower and air movement sound
- Large, oversized filters reduce air movement sound

## ENDURING QUALITY

- Internal motor models deliver 390 CFM (code compliant)
- Commercial grade stainless steel (#304 with #4 brush finish)
- Two oversized 14" x 14" stainless steel baffle filters improve performance
- Two dimmable halogen lights brighten cooking area
- Performance tested for CFM

## DISTINCTIVE DESIGN

- Style complements ALL kitchen designs
- Simplicity of design preferred by home owners and builders
- Electronic touch controls with blue LED back lighting
- Trade-Wind® logo is discretely located on bottom of hood. Can be paired with ALL range models
- Includes telescopic stainless steel duct cover for up to 10' ceilings
- Optional telescopic stainless steel duct cover available for up to 12' ceilings

## EASY INSTALLATION

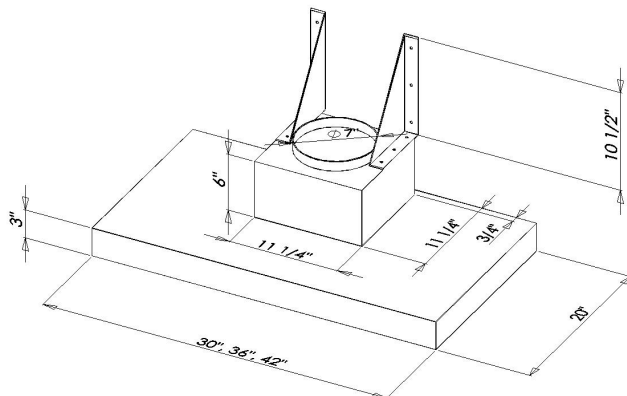

- Installs easily in standard size cabinet openings
- Exhausts out the top with a 7" round discharge
- For Installation Instructions, visit us on the web at [twphx.com](http://twphx.com)
