The Norene Gray Chair, with a seat in a Demetria Parchment fabric, is made of fog gray-finished Mindi wood that matches the darker tones in the nubby upholstery fabric. The raised white lines bring a textural feel to the seat cushion, as does the way the wood grain shows through the finish to lighten the material. Special attributes about the design of this gray dining chair are the bobbin, or spool, ornamentalions that are intermittently placed along its back.
