

L7200 SERIES

BARBECUE GRILL LINER

Enhance your BBQ grilling and capture the professional chef's experience.

Engineered for beauty and performance...

DISTINCTIVE DESIGN:

(L7248 shown)

- Simplicity of design and function
- Available in 36", 42", 48", 54", 60", 66" and 72" widths
- Generously proportioned 32" depth of liner provides an exceptional capture area
- Design of the stainless steel commercial baffle filters adds a professional form

ENDURING QUALITY:

- Powerful Internal Blowers Deliver 1200CFM or 2300CFM
- Heavy gauge commercial stainless steel (#304 grade with #4 brush finish)
- Four 12" by 14" baffle filters for enhanced performance (six or eight filters on larger models)
- Dimmable 50 watt halogen lights
- Optional in-line blowers deliver 1266 CFM

EASY INSTALLATION & CLEANING:

- Remote blower models are pre-wired for use with most in-line or exterior blowers
- Liners with internal blowers are all pre-wired and ready for installation
- Top 10" round discharge (two 10" on larger models)
- Durable, dishwasher safe commercial stainless steel baffle filters
- All stainless steel interior design is easy to keep clean and eliminates grease traps

Our latest BBQ Grill Liner features cutting-edge design for maximum performance and beautiful style to bring you the ultimate barbecuing experience.
