

jarons® Lexington Firm mattresses are designed for more nights of restorative sleep built into every layer.

A patented coil system combined with layers of patented zoned **cooling** gel crown added for lower back support across the center third.

certiPUR-US® certified orthopedic comfort foam targets where you need support the most and it thoughtfully ensures that every other layer performs better!

SOFT HAND KNIT COVER

- Breathable cover that sleeps temperature neutral.

CALMERA® NATURAL FR

- Layered with natural plant-based, renewable, chemical-free flame retardant that naturally wicks away moisture as it regulates your body temperature for extra breathability.
- Naturally wicks away moisture
- Acts as a natural flame retardant
- Naturally antimicrobial & resistant to mites

FIRM QUILTING FOAM

- Firm quilting layer foam for balanced resistance.

PATENTED LUMBAR ZONE CROWN

- **Cooling swirl gel infused** memory foam crown adds support and durability to the section of the mattress that **supports the bulk of your body weight**, providing more **support for the heaviest** parts of our body, relieving pressure on your lower back.

ORTHOPEDIC COMFORT FOAM

- certiPUR® certified orthopedic comfort foam
- Targets where you need support the most. Thoughtfully placed orthopedic foam ensures every other layer performs better.

INDIVIDUALLY WRAPPED COILS

- Each coil in this mattress is wrapped in a light fabric. There are hundreds of individually wrapped coils that respond uniquely to your movement and target support directly to your weight.

EDGE TO EDGE WRAPPED COILS

- LifEdge® Patented **Steel** Support unit made up of individually wrapped recycled steel coils responds to your body's movement and contours to your curves
- Allows for better airflow for cooler, more comfortable sleep.
- Minimizes motion transfer

DENSIFIED AIRFLOW UPHOLSTERY

- Allows for better airflow for cooler sleep
