Overall Mattress Height — Pillow Top: 12.25"

### Technology

- Alternating offset coils provide increased support, reduced roll off and promotes better comfort, support and alignment than traditional coils.
- A layer of premium foam engineered in the lumbar region to provide added support and comfort
- Comfort and support foams are crushed to minimize the initial softening and lock in the comfort, to feel like new longer.
- Coils systems are encased in foam to provide more sleeping surface and improve the edge support.
- Specifically designed to articulate on adjustable beds to customize your sleep experience.
