For spaces that will welcome bold geometric patterns, the Gentry Marble Console Table will be right at home. The rectangular elements are fashioned from three different types of marble: Ambaji, Marquina, and Pietra Gray. Bringing a hint of brightness to the composition is the brass inlay that intersects on some edges where the marble pieces meet; the fact that they do so in a random composition adds interest to the black and white console table. The legs are metal-clad and sit atop a plinth base
