- Pair with two Bluetooth® devices, switching seamlessly between them.⁴

Features

Powerful bass from a compact speaker

Feel the bass and bring pulse racing party sounds wherever you go. Whether indoors or outdoors, enjoy exceptional sound pressure and power from this compact speaker.

ULT button to boost your bass

The ULT button elevates your sound with enhanced power, increased sound pressure, and deeply immersive bass.

Power that doesn't compromise clarity

Experience powerful sound and crystal-clear vocals from the 2-way active driver design, incorporating a dedicated woofer and tweeter.

Side passive radiator

The layout of the side passive radiators has been optimized to enhance bass sound.

Take it wherever you go

This compact speaker combines a grab-and-go design with IP67 waterproof, dustproof, and shockproof durability.^{1,2} It has a stowable shoulder strap for transporting and long battery life, so you can take your music wherever you go.^{3,5}

Just grab it and go

With its compact, easy-to-carry design, this is a speaker that goes wherever you go.

Carry it around with ease

The stowable shoulder strap offers multiple carrying options.⁵ You can let it hang by your side or position it to project sound wherever you need it. That makes it ideal for adventures on your bike, skateboard, or on foot.

Take it outside

With IP67 waterproof and dustproof rating,^{1,2} this speaker is ready for listening by the pool, at the park or wherever you like, no

matter how dusty the surface – and there's no problem rinsing it off. It's also salt-water resistant, which means you can enjoy music even at the beach.

Built to last

The ULT FIELD 3 is built to last, undergoing extensive shock testing to ensure its shockproof design can withstand everyday knocks, bumps, and scrapes.²

Sound Field Optimization

By detecting ambient noise, sound settings can be automatically tuned to deliver clear sound even in noisy or outdoor environments.

7-Band Equalizer

Select your favorite sound setting and hear your music exactly as you like it.

Enjoy music all day long

Up to 24 hours of battery life means the ULT FIELD 3 can play the music you love for an entire day.³

Charge in just 10 minutes

With its quick charging, you get up to 120 minutes of playing time from just 10 minutes of charging.³

Take care of your battery

The Battery Care function means you never have to worry about overcharging your speaker, so it's more dependable for longer.

Check your charge on the app

Keep an eye on your battery level on the Sony | Connect app.⁶

Up or down. The choice is yours.

Stand it up or lay it down flat. The ULT FIELD 3 is designed for optimal sound either way, so you can use it whichever way suits your space.

Colors to match your style

Choose the color that most matches your look, from Black, Off White, and Forest Gray.⁷

Music that really gets you moving with Party Connect

Link up to 100 compatible speakers to synchronize music and lighting through Party Connect – fill any location with powerful sound to create the ultimate party atmosphere.⁴ There's no app required, just add speakers with the dedicated CONNECT button.

Add an extra speaker for rich stereo sound with Stereo Pair

Connect two ULT FIELD 3 speakers, wirelessly with Stereo Pair, to activate stereo sound and experience a wider, more immersive listening experience.⁴

Total convenience, total customization

The ULT FIELD 3 is even better with the Sony | Sound Connect app.⁶ The simple interface lets you dial in your ideal sound and shortcut settings. It can even keep track of your recent listening history.

Better call quality with Echo Cancelling

The built-in microphone lets you enjoy hands-free calling via your speaker, with Echo Cancelling technology for clear calls.

USB Type-C® charge and charge other devices

The ULT FIELD 3 features a USB Type-C® port for convenient charging. The same port lets you use the ULT FIELD 3 as a portable powerbank to charge your other devices from.

More choice with Multipoint Connection

For total convenience, the ULT FIELD 3 can be paired with two Bluetooth® devices at the same time, automatically switching when a call is received, or playback is started on either device.⁴

Bluetooth® Fast Pair⁴

In one tap, the ULT FIELD 3 enables quick, effortless Bluetooth® pairing with your Android™ devices.⁷

Aiming to achieve a zero environmental footprint

Inspired by the beauty of the world, we are doing our part to help preserve the Earth while still offering superior sound quality and listening experiences. Our goal is achieving a zero environmental footprint across the entire Sony Group by the year 2050, and we are fast-tracking numerous environmental initiatives.

Environment in mind

Our products are designed not only to provide excellent sound quality, but also to consider the environment. Recycled Plastics partially used for the body of the ULT FIELD 3.⁸ No plastics are used in the packaging material.⁹ This reflects how we strive to reduce the environmental impact of our products.

Accessibility

We believe technology should make the world more interactive, more creative, more entertaining, and more inclusive. By incorporating human-centric, inclusive design into our audio products, we deliver our KANDO experience to all users, regardless of age, ability or environment.

Specification

Sound	
Speaker Type	Woofer/Tweeter

Water Protection	IP66/IP67
Application	
Compatible Smartphone Apps	Sound Connect
Size & Weight	
Dimensions (W x H x D)	Approx. 256 mm x 113 mm x 79 mm
Weight	Approx. 1.2 kg

1. IP67 Requires that all ports and covers are firmly closed. Waterproof and Dustproof is effective only when the cap is closed. Not guaranteed for all situations.

2. The system passes the drop test from 1.22 m on plywood of 5 cm thickness conforming to MIL-STD 810 H Method 516.8-Shock. This does not guarantee no damage, no breakdown, or waterproof and dustproof performance in all conditions. Deformation or damage from dropping the system or subjecting it to mechanical shock may cause deterioration of the waterproof and dustproof performance.

3. When ULT on, volume at 22. Actual performance may vary from the listed time due to the volume, songs played, surrounding temperature, and usage conditions. Batteries are consumable products, and their capacity degrades over time as they age. Sony does not guarantee the life span of the battery.

4. Interoperability and compatibility among Bluetooth® devices vary.
5. Do not use any strap other than the supplied shoulder strap. When using the shoulder strap, note the following: Be aware that the shoulder strap may catch on surrounding objects. This may cause it to tighten around your neck. Do not engage in strenuous exercise. Wear the shoulder strap diagonally across your body while carrying the speaker. Otherwise, you may accidentally drop the speaker. If the hook of the shoulder strap is not fully passed through the attachment loop, the speaker may fall.
6. Download app at Google Play and the App Store. Network services, content, and operating system and software subject to terms and conditions and may be changed, interrupted, or discontinued at any time and may require fees, registration, and credit card information.
7. Android phones running 6+ are required.
8. The recycled plastics may not be used for parts, depending on the time of production.
9. Coating and adhesive materials excluded. This varies by region.
10. Availability may vary by regions and countries.
