

HERMANCE

SECTIONAL | SM5178-SECT

DETAILS:

Immerse your guests and family in this comfortable and stylish sectional. It starts with the unique channel design on the back cushions and throw pillows--vertical lines add visual appeal while the faux fur texture elevates the piece to a whole new level. The main frame is wrapped in soft gray chenille; it's the perfect color choice to match the widest variety of home motifs. Meanwhile, wide seats and the rightside chaise make for a comfortable relaxation space any soul would love.
