Collection The Maverick Panel 5PC Bedroom Set in

Features: Grey delivers rustic and cozy style to your sleeping space. This set includes panel bed, chest, nightstand, and dresser with mirror. The farmhouse-inspired bed features a planked barn door effect on the headboard and footboard while the wood grain detailing creates country ambience. The case pieces provide ample storage for storing your clothing and the bottom drawers are lined with felt. Perfect neutral finish for adding to your existing bedroom aesthetic or refreshing your aesthetic completely. Mattress and box spring required.
