

30 inch Electric Oven Master Series

FMAS30FSMKX

Bertazzoni built-in ovens embody the artistry of Italian design and the discipline of precision engineering, bringing a truly elevated cooking experience into the modern kitchen.

Ergonomic knobs combined with a touch interface and white LED display deliver a sleek yet highly intuitive user experience, ensuring fast, simple, and precise control for effortless everyday cooking.

A generous 4.8 cu. ft. capacity, 17% larger than previous models, offers ample space for everyday cooking as well as effortless entertaining.

An advanced Hydro Cleaning system harnesses the power of steam to soften dirt residues, making oven cleaning effortless while reducing the need for harsh chemicals for a more sustainable and hygienic kitchen environment.

Bertazzoni built-in ovens are designed with pride in Italy and covered by an industry-leading 2-year parts and labor warranty.
