Dezi Box

1200-0973

In Stock | New

Overall: 2.5"h x 10"w x 6"d

Finish: Natural / Brass / Off-White

Materials: Travertine / Brass / Composite

Item Weight: 8 lbs.

The Dezi Box is made of natural travertine tiles arranged in a stacked dark-and-light pattern with brass inlay running through them. The effect of the intermingling of materials is a pop of brightness as the light hits the metal and a hint of warmth as the stone absorbs it. The surfaces of each decorative box will vary slightly, given the natural material from which they are made.
