Additional Features

Slam-Resistant Door

SLAM NO MORE WITH SOFT-CLOSE HINGES

- Soft-close hinges “catch” the door to allow it to close softly and quietly—and keep it from slamming shut
- Not only does it keep the peace in your kitchen, but it also protects little hands that may be searching for an afternoon snack

Internal Water Dispenser

ACCESS FRESH, FILTERED WATER SINGLE-HANDEDLY

- Get a fast, easy fill that’s always within arm’s reach
- Conveniently fill your cup, pitcher or even a small saucepot with just one hand

Linear Cooling™

PRECISION COOLING TO KEEP FOOD FRESHER, LONGER

- You go all out when it comes to choosing fresh foods for your family— LG Linear Cooling™ helps you keep them that way
- After sensing fluctuations, it maintains temperatures within 1°F of the setting to keep produce fresher and maintain full flavors

Door Cooling+

CONSISTENT TEMPS FROM TOP TO BOTTOM

- Located in the top of the fresh food section, the Door Cooling+ vent extends the reach of LG’s Smart Cooling system
- Blasts of cool air reach all areas of the refrigerator—including the door—to help maintain consistent temperatures from top to bottom
- Helps keep all foods fresh and flavorful

ThinQ® Smart Technology

A SMARTER HOME STARTS WITH THE LG THINQ® APP

- Connect to the LG ThinQ® app to receive alerts, automatically reorder water and air filters, customize settings, get direct support and more with the tap of a finger
- ThinQ Care provides monitoring of key functions behind-the-scenes to protect your investment and keep your appliances running smoothly
- Use voice commands to control your appliance with a Google Assistant or Alexa-enabled device
