

## MDR-RF912RK

### RF912RK Wireless RF Headphones

Zone out and tune in with these wireless, noise-reducing home headphones that deliver high quality, detailed sound with a range of up to 150 feet. Watch privately and without distraction while voice mode lets you focus on every word of your favorite movies and shows. Listen longer with up to 20 hours of battery life<sup>1</sup> and enjoy a design that's built for comfort. Let the binge watching begin.

#### Features

##### Zone out and tune in

Noise-reducing technology keeps the wireless signal free of interference from other electronic devices, so you can enjoy your favorite film, soundtrack or game with crystal clear sound.

##### Wireless range

The enhanced range from the transmitter dock (up to 150 feet) lets you to move from room to room without losing an audio connection.

##### Up to 20 hours of battery life<sup>1</sup>

Enjoy your favorite shows, music and films without having to charge for up to 20 hours.<sup>1</sup>

##### Dynamic detail with 40mm drivers

From thunderous booms to soft whispers, the large 40mm drivers will make sure that you experience every detail in clear and precise sound quality.

##### Self-adjusting headband for listening comfort

Designed for long-term wear, the cushioned and comfortable ear pads are perfect for evenings spent relaxing on the sofa.

##### Set up, sit back

Once these headphones are out of the box, simply connect the transmitter dock to your TV with the supplied cable, and sit back as the headphones sync to the dock.

#### Specifications
