Sealy Posturepedic™ TECHNOLOGY

MORRISEY

NATURAL ORIGINS TIGHT TOP

FIRM • 12¼" PROFILE HEIGHT

A — BAMBOO INFUSED ORGANIC COTTON
Silky soft, it breathes naturally and absorbs moisture to help regulate temperature.

B — SEALYCOOL™ SILK & WOOL FIBRE
Naturally breathable and insulating, soft and silky fibre delivers exceptional climate controlled comfort.

C — RESILIENT BIOGEL™ LATEX
Aerated design and open cell structure creates maximum airflow and circulation, reducing trapped body heat.

D — HD SUPPORT BASE
You can trust HD foam to deliver superior support and comfort in every mattress.

E — CERTIPUR-US™ APPROVED FOAM
CertiPUR-US™ certified foams meet their rigorous standards for emissions, content, performance, and durability.

F — COMFORTSENSE™ MEMORY FOAM
The best attributes of memory and conventional foams for a more consistent, responsive feel.

10 YEAR LIMITED WARRANTY
You'll get comfort you can count on, backed by a 10 year limited warranty.
