

Enhance your listening experience by reducing up to 87.4 percent of ambient noise. Pristine audio and comfort fitting earbuds help immerse you in the peaceful confines of your favorite music. Add in up to 100 hours of battery life<sup>1</sup> and the Sony® MDR-NC13 headphones are ideal for long (and quiet) travels.

### High Quality Noise Canceling

Enjoy an immersive and peaceful listening experience without all of the noise. NC13 headphones reduce up to 87.4% ambient noise when noise canceling circuit is activated.

### Pristine audio

13.5MM drivers and neodymium magnets work to deliver more accurate sound reproduction and a wider frequency response for a pristine audio experience.

### Long-wear comfort

Lightweight 1.0 oz earbud-style design is easy to transport and sits comfortably in the ear, even during extended use.

### Convenient Operation

Easy-to-reach volume and built-in monitor function on the controller allows you to hear surrounding sound without taking off the headphones. Great for flight announcements or conversation.

### Ergonomic Design

The vertical in-ear style housing and three hybrid silicone ear pad sizes allow for a secure, personalized fit.

### Accessories

Carrying pouch, in-flight plug adapter, neck-chain style cord with controller (59 1/8 inches), cord adjuster, and AAA battery included.

## Specifications

Audio	
Driver Unit	13.5 mm Dynamic, closed
Frequency Response	10Hz -22,000Hz
Impedance	16 ohms at 1kHz (Power ON or OFF)
