PERFORMANCE

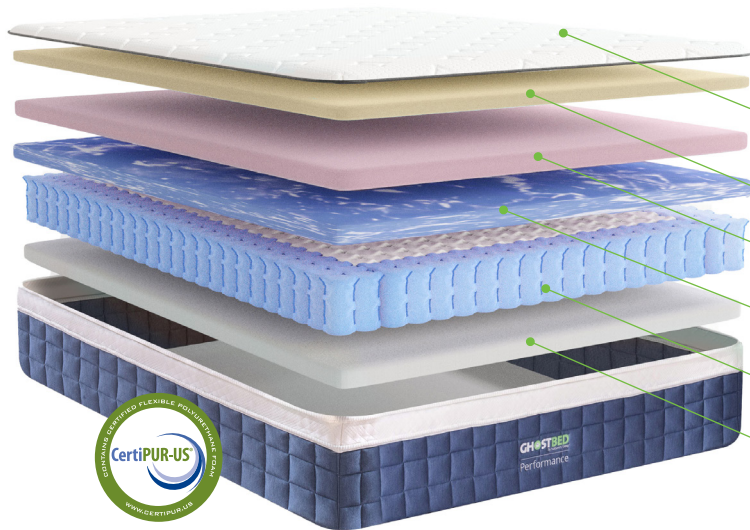

14"
Medium

Supportive yet soft, our best-selling hybrid features the best of both worlds: sturdy, individually wrapped coils combined with the plush comfort of gel memory foam. With a plush Euro top for extra softness, you'll feel instant contouring while still getting the support you need for spinal alignment. Plus, you'll stay comfortable (and sweat-free) thanks to the cool-to-the-touch cover with extra cooling fibers woven in.

BALANCED, HYBRID COMFORT

3 types of foam for a perfectly balanced, medium feel. Durable, pocketed coils with reinforced edge support. Exclusive Ghost Bounce foam contours like memory foam, yet responds like latex
