LIMITED WARRANTY ON BRIZO® FAUCETS

PARTS AND FINISH

All parts (other than electronic parts, air switch power modules, batteries, and parts not supplied by Brizo Kitchen and Bath Company) and finishes (other than uncoated and living finishes) of Brizo® faucets purchased from authorized Brizo sellers are warranted to the original consumer purchaser to be free from defects in material and workmanship for as long as the original consumer purchaser owns the home in which the faucet was first installed. For commercial purchasers, (a) the warranty period is ten (10) years for multi-family residential applications and (b) five (5) years for all other commercial uses, in each case from the date that the product is received by the original purchaser or their authorized representative (installation contractor, etc.). For purposes of this warranty, the term "multi-family residential application" refers to the purchase of the faucet from an authorized Brizo seller by a purchaser who owns but does not live in the residential dwelling in which the faucet is initially installed, such as in a rented or leased single unit or multi-unit detached home (duplex or townhome), or a condominium, apartment building or community living center. The following installations are not considered multi-family residential applications, are excluded from the 10-year warranty, and are subject to the 5-year warranty: industrial, institutional or other business premises, such as a dormitory, hospitality premises (hotel, motel, or extended stay location), airport, educational facility, long- or short-term healthcare facility (hospital, rehabilitation center, nursing, assisted or staged-care living unit), public space or common area.

UNCOATED AND LIVING FINISHES

Uncoated and Living Finishes will naturally change over time. Living and uncoated finishes are not warranted.

ELECTRONIC PARTS AND BATTERIES (IF APPLICABLE)

Electronic parts (other than air switch power modules and batteries), if any, in Brizo® faucets purchased from authorized Brizo sellers are warranted to the original consumer purchaser to be free from defects in material and workmanship for five (5) years from the date that the product is received by the original consumer purchaser or their authorized representative (installation contractor, etc.) or, for commercial users, for one (1) year from the date that the product is received by the original commercial purchaser or their authorized representative (installation contractor, etc.). No warranty is provided on batteries.

AIR SWITCH POWER MODULE

The electronic power module of Brizo® air switches purchased from authorized Brizo sellers is warranted to the original consumer purchaser to be free from defects in material and workmanship for two (2) years from the date that the product is received by the original consumer purchaser or their authorized representative (installation contractor, etc.) or, for commercial users, for one (1) year from the date that the product is received by the original commercial purchaser or their authorized representative (installation contractor, etc.).
