Wall Mount Hood

XOQ - MUA

The XOQ is a striking fusion of Italian stainless steel and glass. The flat surface easily aligns with shelving to provide a visually seamless appearance permitting the XOQ to conform with your design while making its own elegant statement.

What does Make-Up Air Compliant mean?

For the last several years, codes and standards required Make-Up air for domestic range hoods with exhaust rates exceeding a certain limit. The International Residential Code Section M1503.4 and the International Mechanical Code Section 505.2 require Make-Up air for all domestic range hoods in excess of 400 cfm. State, county and local codes may be more restrictive. Always check with your jurisdiction for specific Make-Up air requirements in your area.

Model: XOQ30GMUA, XOQ36GMUA

Sizes: 30", 36" **Depth:** 19 11/16"

Features and Benefits:

- 395 CFM high velocity blower optimally removes Smoke, Grease and Odors
- 3 speed electronic illuminated controls
- 15 Minute delay off
- Two 20 W Halogen Lights
- High quality Stainless Steel with incomparable handcrafted Italian finish
- Aluminum Mesh Filters - Trap airborne smoke and grease particles. They can be easily be removed for dishwasher-safe cleaning
- Standard Chimney fits ceilings up to 9 ft tall
- Mounting Height from cooking surface 27"-32"

Duct Options and Electrical Requirements:

- 6 inch duct required
- Ductless Option for applications where no ducting is available
- AC 115v—60hz (4.35 amp)

Options:

- Optional duct cover extension is available for ceiling heights up to 10 ft tall
Model XOEDCQ
- Optional recirculation kit available
Model XORFK01
