Product Description

The Bellanova Collection by North Cape International is exactly what its name implies: it is new and it is beautiful. This trendy contemporary outdoor sectional offers the best of everything. It is gorgeous, it is customizable, it is well-made, it is comfortable, it is durable, and it is easy. No worries about the weather, this attractive resin wicker with its rich Aspen finish is water and fade resistant. The no-rust aluminum frame has a powder-coat finish.
