**Product Description:** Bring a touch of luxury to your dining room with our Ashby Place Upholstered Side Chair. Both the front and back of the chair's seat back are upholstered, creating a cohesive and visually striking design. Each upholstered panel is adorned with nail head trim, adding a touch of timeless sophistication to the silhouette. Tapered legs with metal ferrule accents complete the look, making a statement in any dining space.

**Collection Features:** Ashby Place displays a sophisticated chic feel with comfortable classic silhouettes, making it suitable for various interior design styles. Quartered ash veneers finished in a soothing neutral gray complement the cool, clean marble and soft silver metal accents. This collection brings a sense of refinement and character to any living space, creating a cohesive and inviting aesthetic.

**Status:** Active

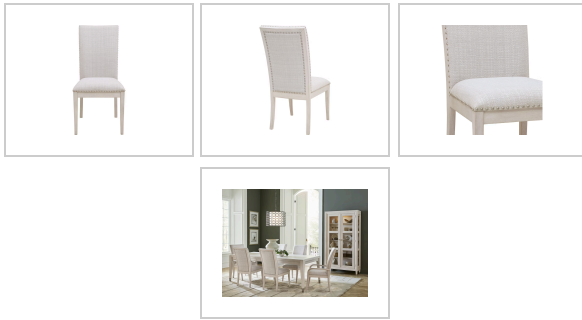

**Finish:** The neutral finish seamlessly blends into various design schemes, working well with bold or neutral color palettes

**Features:** Transitional, chic styling combined with classic elements emphasize simplicity and understated elegance. Offers a stunning seating option that combines style, comfort, and quality craftsmanship.

Nickel-finished nailhead trim and tapered legs add a touch of sophistication to the overall design.

**Material:** Wood

**Frame Construction:** Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

**Fabric:** Reflection Gray; 100% Polyester; SW: Spot clean with upholstery shampoo, foam from a mild detergent, or mild dry cleaning solvent. Do not saturate with liquid. Pile fabrics may require brushing to restore appearance. Cushion covers should not be removed and dry cleaned.
