This space-saving dishwasher features the same functionality as a traditional dishwasher but is made to work in smaller spaces. The compact design can fit 8 placesettings while freeing up room in the kitchen. Choose a Whirlpool® or KitchenAid® panel kit (not included) that coordinates with the rest of your appliances or add a custom front panel and handle for a seamless fit with your cabinetry. Also, the cycle memory feature remembers the last cycle you ran, starting it with the push of a button, and an adjustable upper rack helps you fit large dishes.
