**Description:** Home collection is one of our favorites, and a best seller too. It's easy to see why! For starters, it's a generous 100" long and features an armload of pillows to curl up and relax on. The loose pillow backs, roll arms, and turned wood legs give it a laid back, casual look that Paula is so proud of! It also features her exclusive Down Blend cushions that wrap you in comfort from the first moment, but will last for years. This style is also available as a 2-piece sectional in varying sizes. Also available are the matching loveseat, chair 1/2, ottoman.
