Ruth Outdoor Side Table Black

Small patio, big payoff. Ruth is a compact outdoor side table that slips beside loungers, tucks into corners, and quietly makes everything feel more organized. Its simple silhouette keeps the look clean, while durable polypropylene stays lightweight, wipeable, and unfussy about everyday spills. Use it for drinks, sunscreen, or a book—then move it wherever the shade lands next. A perch that never asks for attention. In Black, it adds crisp contrast without crowding the scene.

- Clean Patio Profile: Minimal shape and balanced proportions slide into tight layouts, pairing easily with mixed seating and letting outdoor textiles do the talking.
- Durable Polypropylene: Polypropylene resists everyday outdoor wear and wipes clean quickly, so condensation rings, sunscreen, and snack crumbs don't stick around long.
- Steady, Simple Form: A solid, uncomplicated design keeps the table feeling stable beside loungers, with no fussy parts to loosen or babysit outside.
- Space-Saving Helper: Compact footprint fits smaller patios, and the lightweight body moves wherever you need a landing spot for drinks, books, or essentials.
