

HURON

DINING

MODERN RUSTIC

Handsome casual styling.

The subtle details and solid acacia wood construction will add a striking visual statement to any dining space. The Huron Collection is designed with function and versatility in mind. Available in three different styles of tables, two options for side chairs and three, beautifully wire brushed finishes, that will make Huron the focal point of any dining room. The clean silhouette of the side board showcases the warm, wire-brushed finish which highlights the unique undertones of the wood.
