## 1.5 cu. ft. Over-the-Range Microwave

### No Logo and Green LED Display:

Lack of conspicuous logo and green display make this the perfect replacement or builder channel OTR.

### 220 CFM Ventilation:

Samsung's powerful ventilation system quickly eliminates any food odor.

### Electronic Touch Control:

Lets you easily program the desired cooking time and power level, at the gentle press of a button, for error-free results every time.

### Digital Cooking Timer:

Provides precise readouts of elapsed cooking times for all dishes, in increments up to 99 minutes and 99 seconds.

### Two-Stage Programmable Cooking:

Vital time-saving function that allows you to easily program initial defrost plus a corresponding two-step recipe for that food simultaneously.

### Soften/Melt:

A useful menu option for quick preparation of common recipes: melt chocolate, soften cream cheese, and melt butter with ease.

### More/Less Time Adjust:

Adjusts the cooking time for any of the instant cook pad selections. While the oven is cooking, more/less automatically adds or subtracts time from the instant cook selection.

### Auto Defrost:

Functions efficiently based on the weight of the food being cooked. Simply select the weight, and the microwave does the rest.

### Specifications:

- Oven Cavity: 1.5 cu. ft.
- Power Output: 1000 W
- Power Consumption: 1580 W / 13.4 Amperes
