

NEWRY

LOVESEAT | SM6091-LV

DETAILS:

Expertly upholstered in smooth fabric and paired with down fiber blend pillows for a more luxurious seating, this living room ensemble would certainly complete any home. Simple lines create a captivating silhouette, with its wide track arms and wooden block legs. Edges of the arms and cushions are trimmed with welt making it easy to grab and flip over as they are reversible. Finally, casual fun is brought about by the assorted patterns on the pillows.
