

ZS-BTY50

Bring the bass wherever you go. Just touch it to your phone and turn it up—no wires needed. With MEGA BASS® sound and one-touch Bluetooth® pairing with NFC, it's both powerful and convenient. Now tailgating and backyard barbecues get up to 16 hours of wireless sound from C batteries (you can also plug it in).

Quality Portable sound

Stereo speakers housed in a bass-reflex design deliver a more complete, enjoyable listening experience.

Bluetooth® Audio Streaming

Take advantage of your compatible Bluetooth® enabled music devices via the audio streaming functionality.

One-touch Listening with NFC

Enjoy convenient Bluetooth® pairing with Near Field Communications (NFC) technology. Simply align the NFC logos and tap to: power the speaker on, activate Bluetooth®, pair the two devices, and stream your music.

MEGA BASS®

Bass boost circuitry enhances low-frequency performance at the touch of a button.

Light Sync

For added effect, Light Sync lighting effects synchronize with the selected music source.

Enjoy AM/FM Radio

A built-in digital AM/FM Stereo Tuner with 30 station preset memory (10 AM, 20 FM) lets you choose from a wide variety of radio, talk and music programming.

AC or Battery operation for portability

Enjoy up to 16 hours of continuous (Size Cx6) battery operation.¹ For easy battery removal and replacement, the battery compartment quickly and easily clicks open and closed.

Other sources welcome

An auxiliary audio input lets you connect select digital music players to the clock radio for easy access to your music (auxiliary input cable not included).

Specifications
