

# Ahead Of The Curve

Caracole

With an enveloping silhouette, this inviting sofa embodies comfort and easygoing elegance. Its subtly curved back and bowed bench seat are hand-tailored in a micro-chenille performance fabric, woven with metallic thread for a hint of shimmer. Delicate plinth legs lend balance and a sophisticated detail in a Matte Pearl finish. Woven satin checkerboard accent pillows and an extra-long lumbar pillow in a faux shearling create contrast and touchable texture.
