NOTES

Storage console houses snacks, remotes and other personal items  
 Two drink holders keep beverages close at hand  
 Parachute release on either arm allows sitters to efficiently move between upright and recline positions  
 Divided back cushions cradle your neck, back and lower lumbar for enhanced comfort  
 Streamlined inset padded armrests have a seamless look and comfortable feel  
 Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability  
 High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline  
 Available in over 50 leather options to suit any décor  
 Removable back allows for easy lifting and maneuvering through doorways  
 Footrest easily lowers when you apply pressure in a downward motion  
 Power controls on both arms effortlessly adjust the recline, keeping you comfortable  
 USB charging port built into power control keeps devices powered up and ready to use  
 Home button returns the headrest and footrest to their original positions with one touch  
 Power allows you to smoothly recline to any position.  
 A single USB port is included on each power button control on styles with arms.  
 The power control allows you to independently adjust the recline and headrest.  
 A separate home button returns the headrest and footrest to their original positions with one touch.  
 A USB port is included on the power control for powering electronics.  
 Zero draw technology only uses power when the USB port is in use.

Power Recline & Headrest
