

Casual Affair

Caracole

A Casual Affair illustrates how fashion informs home fashion. Drawing inspiration from the latest styles shown at NY Fashion Week, this captivating sofa showcases clean lines paired with a classic flow of draped material and layered pleats. Its sleek sloped arms feature a dressmaker skirt that falls open from the top of the arm front and back. Luxuriously soft, neutral accent pillows add a touch of tonal pattern. Relaxed, refreshed, and ever so classic, this sofa is a foundation piece for fine design.
