

36" Built-In Side-by-Side

Model BI-36S provides maximum side-by-side refrigeration capacity in a compact width. Sub-Zero dual refrigeration along with new air purification and water filtration systems guard the freshness of your food and water like nothing before. Framed, overlay, flush inset and stainless steel design options are available. The flush inset installation option allows the unit to sit flush with surrounding cabinetry.

Stainless steel model BI-36S shown with pro handles.

FEATURES

- Dual refrigeration system ensures the freshest food and energy efficiency.
- Electronic microprocessor constantly monitors entire unit to ensure proper food storage environment.
- Air purification system reduces odors, bacteria, viruses and ethylene gas.
- Advanced water filtration system.
- Illuminated touch control panel.
- Bright interior lighting throughout, including storage drawer area.
- Adjustable door shelves, spill-proof glass refrigerator shelves, dairy compartment and wire freezer shelves.
- Soft-close crisper and deli drawers form a lower temperature zone ideal for produce and meats.
- Easy-access flip-up grille.
- Informational freshness cards.
- Max ice feature increases production for a 24-hour period.
