Kellan Mirror Brown

Part mirror, part window, all in the arch. An arch top over straight sides gives the Kellan mirror a warm, architectural quality that feels enduring and at ease in any room. Mid-tone mango wood carries rich natural grain across a generous, deep frame profile, finished smooth so the beauty of the material reads clearly and honestly on the wall. The kind of shape a wall tends to remember.

- Arched Silhouette: An arch top over straight sides brings an architectural, window-like quality, giving the mirror a classic, enduring shape that suits any room.
- Solid Wood Frame: A warm mid-tone mango wood frame carries rich natural grain, finished smooth so the beauty of the material comes through clearly and honestly.
- Substantial Profile: A generous, deep frame gives the mirror noticeable depth and weight on the wall, lending a solid, grounded presence that reads quality.
