Free the countertop. This KitchenAid® Multifunction Over-the-Range Microwave Oven combines the versatility of an air fryer, toaster oven, convection oven, dehydrator, bread proofer, microwave and ventilation hood, all in one space-saving appliance designed for flush installation within a standard 12 ¾" cutout. Infrared Sensor Modes provide intuitive assistance to smoothly melt chocolate, defrost frozen chicken without cooking the edges and help prevent splatters.

Top Features

Air Fry Mode

Turntable-Free Design

Bread Proof Mode
