

Astre Gold Mirror Side Table

F340 GOLD

Availability: In Stock

DESCRIPTION

The scalloped shapes that define the silhouette of the Astre Gold Mirror Side Table with its inset mirrored top and shelf might have you believe this is a throwback to the gothic era but the motifs are so beautifully rendered it's clear this table is meant for modern times. The gold leaf finish on the frame brings warmth to the glinting antiqued mirror of the flat surfaces. There are a number of versions of this versatile table in our lineup.
