

GUNNERSBURY

SECTIONAL | SM1120

DETAILS:

What a difference a large furniture brings to your room! This chic and trendy sectional brings oversized features you can thoroughly enjoy. Let's start with the overall size--the L-shape allows maximum seating for any corner. Back pillows and seat cushions are plush and padded with foam from within. Each end offers armrests sloped slightly to accommodate your resting arms or head. And finally, the warm, linen-like fabric creates a beautiful canvas for the exotic prints on the oversized accent pillows.
