MASON

1200 SERIES EUROTOP
FIRM • 12" PROFILE HEIGHT

CLEANPROTECT[™] COVER

Antibacterial treated fabric to help maintain freshness and reduce bacterial-associated staining.

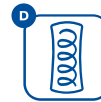

SEALY AIRSENSE[™] FIBRES TOPPED WITH SEALYICE[™] YARN

Cooling, soft and silky fibres quilted to enhanced support foams conform and micro adjust to your body's climate and comfort needs.

CERTIPUR-US[™] SEALYCOMFORT[™] GEL HD FOAM

Carefully layered gel foams conform and cushion for your most comfortable night's sleep.

POSTURE GRID[®] COIL SYSTEM FEATURING POSTURESENSE[™] NANO COILS

Individually wrapped pocket coils designed to reduce motion and reinforce the centre third of your body for added PROBACK[®] support beneath the quilt. PostureSense[™] nano coil Technology sits in the centre of the PostureGrid[®] System to support you where you need it most.

SOLIDEDGE[™] PRO

A high-density, flexible coil border surrounding the mattress provides flexible edge support, more space to sleep and added durability.

PROBACK[®] PLUS QUILT WITH TARGETED GELSENSE[™] HD MEMORY FOAM

Superior conformance gel memory foam designed to sense and respond to your body's unique shape for improved flexibility and Posturepedic[®] support.
