MOE'S

Roland Nightstand Brown

Meet the nightstand that does the most—quietly. Roland brings a little architecture to bedtime, pairing a carved, groove-forward drawer front with a grounded, modern silhouette that feels calm but never plain. Solid oak keeps the look warm and substantial, while the geometric carving catches light and shows off the wood's natural grain. Rectangular legs with exposed joinery add a workshop wink. Consider it storage with a point of view.

- Sculptural Rhythm: Deep, geometric grooves create a dimensional drawer front that reads like modern carving, not decoration, and plays beautifully with light.
- Oak-Forward Mix: Solid oak leads the way, paired with mango wood framing and supports for a smart material blend that keeps the profile crisp.
- Joinery On Display: Rectangular legs feature exposed joinery details that nod to artisan work, giving the piece structure you can actually see.
- Drawers, Done Right: Two drawers keep bedside essentials sorted and close at hand, with a supported frame and paneling that help the form stay tidy over time.

Item Code	BB-1053-03
Swatch Code	
Country Of Origin	INDIA
Product Materials	Frame: Solid Oak, Back Support and Drawer Frame: Mango Wood, Back Panel and Drawer Inside: Mango Veneer Over MDF
General Dimensions	34.0" W X 20.0" D X 24.0" H
