The finish is enhanced with subtle distressing, including wood scoring and rub-through effects, giving the piece a rustic, time-worn appearance.

Additional features include adjustable plastic floor protectors, kiln-dried wood for stability, a finished back, and safety stops on the drawers to prevent accidental over-extension. The interior drawer dimensions are 28.25"W x 15.75"D x 10"H.

The adjustable feature allows you to fine-tune the level of the piece, ensuring balance even if the floor isn't perfectly flat. This adds longevity to both your furniture and your floors, and prevents the need for additional protective pads or mats.
