WINGBACK CHAIR (2/CTN) | CM-AC261GY-2PK

DETAILS:

Of relief to those seeking a truly fine chair, this beauty may exceed their wishes. The extraordinary flannelette fabric portrays an authentic velvet-like quality. It is finely button-tufted for the classic appearance expected of a elegantly constructed fashionable side-chair. Studded accents outline the edges and a unique metallic pull ring adds often-neglected visual appeal to the back. The mirror-like sheen of the steel legs offer a modern touch, ensuring a presence of stature as well as providing the expected seated comfort.
