

Qi XE PRO

The Doctor Will See You Now

A customized massage experience powered by AI

The Qi XE Pro is a 4D L-Track massage chair that features the innovative Chair Doctor program

cozzia.

Breakthrough Innovative Technology

CHAIR DOCTOR

Using AI technology, the chair will create a massage based on your back tension.

BRUSHLESS DC MOTOR

A smaller, faster motor, outputs more power with less friction, extending the life of your chair.

M.5 MICROPROCESSOR

The M.5 Gen Microprocessor results in faster speed, higher accuracy, and a better massage.

VOICE CONTROL COMPATIBILITY

Have control over your massage and your chair, just by using your voice.

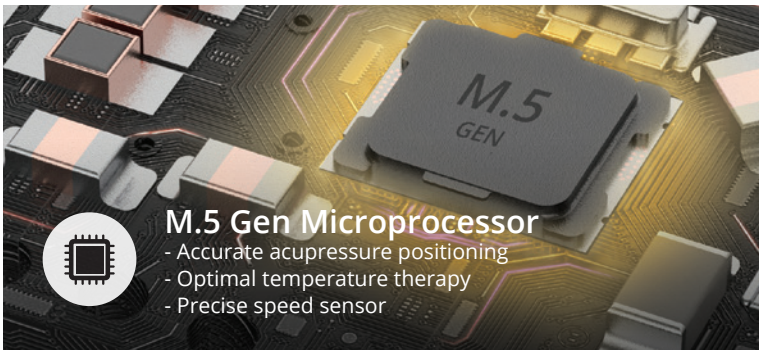

Chair Doctor Powered by AI

The hand-held sensor takes a biometric reading while scanning your back to find your problem areas

Brushless DC Motor

- Quiet operation for a peaceful massage
- Increased durability, less friction, and a longer lasting motor
- Maximized data computing for a smoother, more precise massage

M.5 Gen Microprocessor

- Accurate acupressure positioning
- Optimal temperature therapy
- Precise speed sensor

Voice Control Compatible

Works with Amazon Alexa

High-Tech Inside and Out

Inside the Qi XE Pro, every experience is personal. An on-board assistant tracks usage patterns and preferences, integrating seamlessly with your digital life. Everything is tuned to your liking, from cueing up your favorite music, to creating your own customized massage.
