

DISHWASHER COLLECTION

Real cooks need dish care solutions that give them the flexibility to entertain without restrictions—that complement their passion for the food experience. The Thermador Collection of dishwashers delivers luxury performance with absolutely unparalleled flexibility.

Our innovations enhance the experience of entertaining, ideal for the frequent host. Flexible racking and storage options mean that no other dishwasher can accommodate the range of jobs that Thermador can: from large pots and pans to bulky cooking utensils to fine stemware. And with the fastest full wash in the industry, a Thermador Dishwasher means that the evening never has to stop for lack of a serving plate or wine glass.

STAR-SAPPHIRE™ THE STAR OF THE KITCHEN MOVES AT LIGHT SPEED

Dishwashers should never compromise performance for luxury, or speed for capacity. Where others fall short in one dimension or another, the Thermador® Star-Sapphire Dishwasher cleans up with the fastest full wash of any residential dishwasher in its class*.

★ STAR SPEED®

Star Speed preheats one wash cycle's worth of hot water ahead of time, allowing you to complete a full load of dishes in record-setting time.

★ SMOOTH GLIDE RACKS

Sleek charcoal-grey racks are engineered to glide effortlessly without jarring or sticking, delivering a more pleasing loading and unloading experience.

★ SAPPHIRE GLOW®

Bring the results of a perfect wash to light with sparkling blue light that illuminates when the dishwasher is opened, giving just-cleaned stemware and dishes a luxurious glow.

★ LARGEST WINE GLASS CAPACITY

Accommodates up to 18 large wine glasses into the top and bottom rack, more than any competing dishwasher.

★ ADJUSTABLE CHEF'S TOOL DRAWER®

Real cooks need serious loading capacity for their collection of small and large utensils. Star-Sapphire dishwashers feature a flexible 3rd Rack that delivers not only added loading capacity, but adjustability to accommodate larger or smaller items, wider ends, and utensil handles.

★ TIME REMAINING POWERBEAM®

Our Star-Sapphire dishwashers offer a convenient Time Remaining PowerBeam Light that projects cycle status and time remaining on the kitchen floor.

★ FLEXIBLE FOLDING TINES

Another feature that makes Thermador Dishwashers the most versatile on the market. Flexible Folding Tines fold down to accommodate larger pots, pans, and dishes while providing the capacity to hold items twice as wide as previous models, and significantly wider than competitors.

*Fastest full wash cycle for residential dishwashers in its class. Full cycle is defined as full wash, hot water cycle.

★ THERMADOR EXCLUSIVE

DISHWASHER FEATURE HIGHLIGHTS

EMERALD® MODELS FEATURE:

BLUE POWERBEAM® STATUS INDICATOR

The PowerBeam operating indicator lets you know when the unit is running with our signature blue light.

FINE SILVERWARE CARAFE

The aluminum construction of our Fine Silverware Carafe accessory (sold separately) protects valuable sterling silver flatware from damaging oxidation so it can be safely washed in the dishwasher.

TOPAZ® MODELS ADD THESE FEATURES:

CHEF'S TOOL DRAWER®

A real cook's work is never done, but an upgraded tool drawer makes cleanup much easier. With a design that accommodates oversized and wide-handled tools, loading and unloading become seamless and cleaning more thorough.

EXTRA-TALL-ITEM SPRINKLER

Sprinkler delivers powerful spray stream to ensure large items can be cleaned—without removing the Chef's Tool Drawer. Cleans items up to 22 inches tall, such as platters and baking sheets, eliminating the need to hand wash.

CRYSTAL PROTECT® SYSTEM

Utilizes a built-in water softener to neutralize water hardness for perfectly clear crystal, free of water spots.

SAPPHIRE® MODELS ADD THESE FEATURES:

★ SAPPHIRE GLOW®

Bring the results of a perfect wash to light with sparkling blue light that illuminates when the dishwasher is opened, giving just-cleaned stemware and dishes a luxurious glow.

ADJUSTABLE CHEF'S TOOL DRAWER®

Real cooks need serious loading capacity for their collection of small and large utensils. This flexible 3rd Rack delivers not only added loading capacity, but adjustability to accommodate larger or smaller items, wider ends, and utensil handles.

FLEXIBLE FOLDING TINES

Another feature that makes Thermador® Dishwashers the most versatile on the market. Flexible Folding Tines fold down to accommodate larger pots, pans, and dishes providing the capacity to hold items twice as wide as previous models, and significantly wider than competitors.

★ THERMADOR EXCLUSIVE

DESIGN VERSATILITY ONLY FROM THERMADOR®

The ingenious Dishwasher Collection from Thermador lets you take kitchen design to a higher level. The possibilities are endless with four distinct series to choose from, each with five unique design options to perfectly complement your kitchen design.

Flat Stainless Steel Panel with Professional Handle

Flat Stainless Steel Panel with Masterpiece® Handle

Chiseled Stainless Steel Panel with Professional Handle*

Chiseled Stainless Steel Panel with Masterpiece® Handle*

Custom Panel to Match Your Cabinetry

FULLY FLUSH CUSTOM PANEL DISHWASHERS

MAKE YOUR DISHWASHER DISAPPEAR

Match your kitchen's custom cabinetry to our dishwasher for complete integration. Thermador custom panel dishwashers are the only dishwashers available that install fully flush for a seamless, integrated look. Everything needed to install your custom panel comes in the box.

PROTECTING YOUR FINE WOOD CABINETS

Thermador dishwashers feature a unique condensation drying system that eliminates the risk of steam damage over time to custom panel wood cabinetry and countertops. The closed system heats dishes with hot water from the final rinse.

*Available as an accessory

MODEL OPTIONS

There are four Thermador Dishwasher Series to choose from in the Collection—Emerald® (4-program), Topaz® (6-program), Sapphire® (6-program) and Star-Sapphire™ (6-program). All series models are available with a Masterpiece® or Professional Handle to perfectly match other Thermador appliances in your kitchen. All series have a custom panel option to fully integrate with your cabinetry. Be sure to reference the correct model information in this design guide.

FULLY FLUSH CUSTOM PANEL DISHWASHERS

Thermador custom panel dishwashers can be installed fully flushed for a seamless, integrated look.

WHAT TO CONSIDER WHEN INSTALLING A CUSTOM PANEL DISHWASHER

Thermador Dishwashers are designed to offer the ultimate in design flexibility and the ability to be installed in a variety of configurations.

DWHD440MPR

- Minimum opening height: 33 $\frac{7}{8}$ " (860 mm)
- Minimum opening width: 24" (610 mm) or 23 $\frac{5}{8}$ " (600 mm) wide with decor strips removed

DWHD640JPR AND DWHD650JPR

- Minimum opening height: 34 $\frac{1}{16}$ " (865 mm)
- Minimum opening width: 24" (610 mm) or 23 $\frac{5}{8}$ " (600 mm) wide with decor strips removed

DWHD651JPR

- Minimum opening height: 34 $\frac{1}{8}$ " (867 mm)
- Minimum opening width: 24" (610 mm) or 23 $\frac{5}{8}$ " (600 mm) wide with decor strips removed

All Thermador Dishwashers are ENERGY STAR® Qualified

INSTALLATION OPTIONS

CUSTOM DOOR PANELS (DWHD440MPR, DWHD640JPR, DWHD650JPR, DWHD651JPR)

Fully integrated models allow you to have a custom door panel made to match your cabinetry. The custom door can be a two-piece configuration to look like a drawer at the top and a cabinet door at the bottom or like a single full-length door. A template is included with the fully integrated models to explain the mounting procedure.

NOTE: These dishwashers can accept custom door panel weights ranging from 7 to 24 lbs.; however, the dishwasher comes from the factory ready for custom panel door weights from 11 to 18 lbs. If you plan on using a door panel that is not 11 to 18 lbs., please contact customer service at (800) 944-2904.

INSTALLATION CONSIDERATIONS

The information in this design guide provides key features, product dimensions, cutouts and installation specifications. Before installing a Thermador Dishwasher, be sure to verify the cabinet dimensions, electrical connections and water connections. Also, always consult with the installation manual packed with the product for complete details before installing.

Thermador Dishwashers are designed to be enclosed on the top and both sides by standard residential kitchen cabinetry.

For Emerald the opening should be at least 34" high and 24" wide (or 23 $\frac{5}{8}$ " wide with decor strips removed).

For Topaz®, Sapphire and Star-Sapphire the opening should be at least 34 $\frac{1}{16}$ " high and 24" wide. (or 23 $\frac{5}{8}$ " wide with decor strips removed).

If the dishwasher is to be installed in a corner, make sure that there is adequate clearance to open the door.

DISHWASHERS

PLANNING INFORMATION

ELECTRICAL SPECIFICATIONS

This appliance must be grounded to a metal, permanent wiring system, or an equipment grounding conductor must be run with the circuit conductors and connected to the equipment grounding terminal or lead on the dishwasher.

MODEL	REQUIRED CIRCUIT BREAKER
All Dishwasher Models	120V, 60 Hz, 12 A

WATER AND ELECTRICAL LOCATIONS

For proper dishwasher operation and appearance, ensure that the enclosure is square and has the dimensions shown. Plumbing and electrical service must enter shaded area.

Make required openings to allow for passage of the water, drain and electrical line. In order to avoid interference with the dishwasher when sliding it into the cabinet, place your openings within the dimensions shown.

Select a location as close to the sink as possible for easy access to water supply and drain lines.

NOTE: Plumbing installations will vary—refer to local codes. The maximum length of the drain hose, including hose leading to air gap (if any) is 150" (381 cm). Ensure a portion of the drain hose is raised at least 20" (51 cm) above the floor to ensure proper draining.

TOPAZ®, SAPPHIRE® AND STAR SAPPHIRE™ SERIES

NOTE: if the incoming electric supply, water supply and drain connections are all in the same cabinet, the one 4 1/4" x 2 1/2" hole will be large enough for all three to pass through.

The dishwasher electrical supply junction box and dedicated receptacle must be mounted in an accessible cabinet adjacent to the dishwasher (do not mount the junction box or receptacle behind the dishwasher). You will need a 4 1/4" x 2" (108 x 51 mm) opening through the cabinet in order to pass the junction box through.

The electrical supply can be connected in one of two ways:

- Use the included 3-wire plug and junction box to connect to a dedicated household receptacle.
- Permanently connect to household or field wiring

WATER AND ELECTRICAL LOCATION DIMENSIONS

EMERALD® SERIES REQUIRED OPENINGS:

TOPAZ®, SAPPHIRE® AND STAR SAPPHIRE™ SERIES REQUIRED OPENINGS:

4 1/4" x 2" (108 x 52 mm)—To pass the included electrical supply junction box through to an adjacent cabinet

4" x 2" (100 x 50 mm)—To pass the included water supply line toward the water supply

1 1/4" (32 mm) diameter—To pass the dishwasher drain hose toward the drain connection

Electrical and Water Connection

DISHWASHER & CUTOUT DIMENSIONS

EMERALD DWHD440MFP & DWHD440MFM

CUSTOM PANEL EMERALD DWHD440MPR

DISHWASHER & CUTOUT DIMENSIONS

STAR-SAPPHIRE DWHD651JFP & DWHD651JFM

Measurements in inches and mm

CUSTOM PANEL STAR-SAPPHIRE DWHD651JPR

Measurements in inches and mm

- * measured from the bottom edge of the countertop panel
- ** thickness recommended 3/4" (20 mm), panel weight 11–18 lb. (5–8 kg)
- *** 24" (610 mm) wide panel may be used depending on cabinet design
