- The Captur™ system's advanced blower design features a forward positioned centric inlet to remove smoke and odor faster. A smooth-flow blower wheel and high flow filters ensure quiet operation.
- 250 CFM blower operates at 1.5 sones at normal speed.
- Two-level, halogen bulbs flood the cooktop and surrounding area with generous illumination (bulbs included)
- Hidden two-speed on/off rocker switch.
- Large dishwasher-safe, single open-mesh filter provides efficient grease removal.
- ADA compliant, remote operation is possible using a standard UL approved wall switch.
- Non-duct capable with use of charcoal filter, sold separately. Hidden louvers on top of hood exhaust away from cabinetry.

Captur™
For faster smoke and odor removal.
