MOE'S

Cates Classic L Modular Sectional Navy And Brown

No frame, no effort, no way it's this soft. Cates takes modular seating to a whole new level of comfort. Built entirely from high-density foam, shredded memory foam, and fiber fill, each piece delivers a sink-in, stay-all-day kind of feel—no hard edges, no rigid frames. The clean lines, soft back cushions, and non-slip base keep it grounded, while the smaller-scale components let you build your layout your way. Add, rearrange, or sprawl—this sectional keeps up, no matter how you lounge.

- Streamlined Style: Clean lines, wide arms, and a frameless silhouette offer a contemporary feel that works for both small-space living and oversized, modular lounging.
- Textured Durability: Upholstered in 100% polyester with a soft, tactile finish and a 50,000 rub count that stands up to daily use without sacrificing comfort.
- Plush Construction: Crafted with high-density foam, shredded memory foam, and fiber fill for a sink-in, cloud-like seat—no wood frame, just full-body support.
- Vacuum-Sealed, Small Parcel: Ships compressed in compact boxes to simplify delivery and fit through tight spaces—ideal for apartments, walk-ups, and smaller-scale living.
