

SA-CS9

115 W 10" Active Subwoofer

Bullets

- 115 W, Amplified Subwoofer (6 ohms, 80 Hz, 10% THD)
 - 10" Foamed-Mica Cellular Reinforced Woofer
- Speaker and Line Level Inputs
 - Frequency Response 28-200 Hz

Features

Room-filling sound

At first listen, the all new Core Series speakers will make your favorite audio tracks unfold throughout your listening environment, thanks to precise instrument reproduction, positioning, and even depth relative to an expansive soundstage.

Mica-Reinforced Drivers

CS Series speakers utilize unique, foamed (dual-layer) mica woofer diaphragms-the upper surface delivers supple and faithful sound quality, while the bottom layer leverages low weight with great strength for powerful bass response.

Optimized Crossover Componentry

High-quality crossover networks using specially selected components assure minimal signal loss for energetic vocal response with even the most delicate emotional nuances. While being carefully mounted directly to the cabinet for vibration isolation.

Motion feedback technology

Motion feedback technology using detection circuitry, measures diaphragm movement relative to input signal for feedback to the power amplifier. If variations occur, corrective measures are applied to reduce unwanted cone movement (distortion) for deeper, more precise bass reproduction.

Specifications

General		
General	Color	Black
	Cut-off Frequency	50-200Hz
	Frequency	28-200 Hz
	Subwoofer	1
Subwoofer		
Audio	Rated Impedance	6 Ohms
Convenience Features	Cut-off Frequency Adjust	Yes
	Level Adjust	Yes
	Phase Switch	Yes
	Power Save Mode	Yes

General Features	Cabinet Material	Wood
	Dimensions (Approx.) (WxHxD inches)	295 x 345 x 400 mm
	Enclosure Type	Bass Reflex
	Finish Type	Cloth (Grille), PP Sheet (Cabinet)
	Grille Net	Detachable / Cloth
	Magnetically Shielded Type	No
	Mass (Approx. oz)	11.5 kg
	Model name	SA-CS9
	Speaker System	Active subwoofer system
Inputs and Outputs	Input Terminal Type	Push type
Power	Power Requirements (frequency)	AC
	Power Requirements (voltage)	120 V
Weight and Measurements	Power Output	115 W
	Speaker Unit	25 cm cone type x 1
Language		
Instruction Manual	English(US) or English(GB)	Yes
	French or French(CA)	Yes
	Spanish or Spanish(LA)	Yes
Accessories		
Accessories	Supplied Accessories	RCA cord Instruction manual
Package Carton		
Weight and Measurements	Dimensions (Approx.) (LxWxH mm)	470 x 370 x 435
	Weight (Approx. kg)	13.5 kg
