Sunseeker 2 Piece Outdoor Nook Brown Stripe

Your new favorite corner—on purpose. Sunseeker's 2-piece nook creates an easy outdoor moment that can shift with the day, from coffee shade to late-afternoon sun. Tufted cushions and piping keep the lines clean in brown stripe, while quick-dry foam and an aluminum frame are made for open-air living. Lightweight pieces make reconfiguring simple, and they fit together to stack and store when you're done. It's a small setup that feels considered, and a flexible one that stays useful.

- Corner-Friendly Layout: A two-piece configuration creates a defined nook for lounging, while keeping the look clean and structured with tufting and piping.
- Outdoor-Ready Fabric: 100% acrylic upholstery in brown stripe pairs with quick-dry foam, helping the cushions bounce back after wet swimsuits.
- Light Aluminum Frame: Aluminum construction keeps each piece easy to pick up and reposition, while offering steady support for everyday outdoor use.
- Stacks With The Set: Designed to fit with other Sunseeker pieces for stacking and storage, so your patio can flex with the forecast.
