THE BUILD

1. Tencel™ stretch-knit fabric provides a cool, breathable cover by allowing air to flow freely while wicking away moisture.
2. This comforting, gel-infused foam layer, just below the cover, contours to your body for enhanced pressure relief.
3. The ultra-firm, high-density reactive support layer is designed to provide long-lasting support for your body throughout the life of the sleep system.
4. The ultra-firm, high-density reactive support layer is designed to provide long-lasting support for your body throughout the life of the sleep system.
5. A fusion of blended British wool, viscose, Egyptian cotton, kapok, alpaca, homegrown hemp, and mohair creates an unparalleled natural comfort layer.
6. The transitional Latex layer provides long-lasting support and dynamic cool comfort.
7. Gel memory foam that cradles your body, helps you sleep cool, relieves pressure points, and reduces tossing and turning.
8. The ultra-firm, high-density reactive support layer is designed to provide long-lasting support for your body throughout the life of the sleep system.
9. The zoned fabric-encased coil system with Quantum Edge steel border provides personalized comfort and a firm coil perimeter that allows you to sleep comfortably at the edge of your mattress.
10. Ultra-firm, high-density support foam layer is designed to provide long-lasting firm support for the sleep system.
