Blue Pleat Medium Vase

1200-0892

In Stock

Overall: 13.75"h x 6.75"dia.

Finish: Cobalt Blue

Materials: Porcelain

Item Weight: 8 lbs.

The Blue Pleat Medium Vase is attractive in a lovely hue of cobalt blue. The deep furrows that wrinkle around the form to create waves of movement are achieved with such a uniformity they can only be machine-made. The most surprising thing about this handsome vessel is that it is made of 3D-printed porcelain, an ancient material you might not expect to be so amenable to such a contemporary process.
